

H60

Exclusive radiator with glass front

Glamox® | Heating

Description

Creating stylish interior design is all about the details. By choosing the H60 panel radiator, you gain an element that will be noticed for its elegant, timeless design. Tempered glass exterior with a glossy, reflective finish and gently rounded corners. Available in black and white finish.

Choose between the following thermostats.

- DT - Digital Plug-in Thermostat with programmable weekly or daily setting.
- Wi-Fi - wireless thermostat with Wi-Fi and Bluetooth and programmable settings via the Glamox Heating app.
- SLX - Slave module for thermostat-controlled heaters on 230V mains electricity.

Technical Description

Materials and paint:

Tempered black glass with RAL 7021 on the back plate or white glass front with RAL 9016 on the backing plate. Max. 90°C temperature on surface. Protected against overheating. Upper wall mounting can be detached and tipped forward to simplify cleaning.

Connection:

Supplied with cable and plug which can either be connected to the connection box supplied for fixed installation, or plugged straight into a socket.

Thermostat:

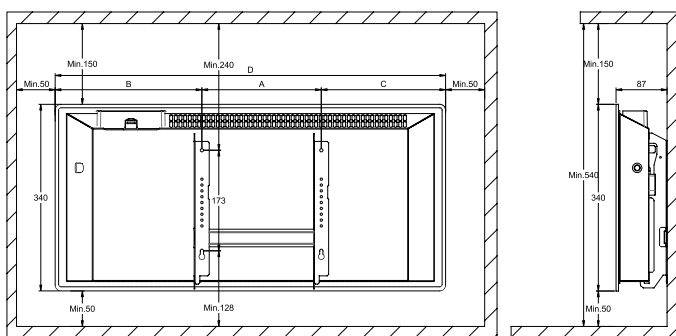

Supplied without thermostat, can be ordered separately.

- DT - Digital thermostat
- WT2 - Wi-Fi with Bluetooth thermostat
- SLX - Slave module

Installation:

Supplied with wall bracket for mounting on wall. The connection box can be moved sideways to adapt to cable input. Floor stand can be ordered separately.
